olice officials detained five into the killings of 'Dala Puttuwa' and other suspects in nikaweratiya over the

tuskers under the Criminal Investigations

suspects in inkawerany over the killing of a tusker known's Dala Pattuwa' yesterday (1).

Law and Order Minister Sagala Ramayaka has directed Acting IGP CD, missing for around two months. Wildlife Wickemarates to hisse the investigations. officials on Wednesday. November 29.

discovered a carcass, which proved to be of the trusker, following the autopsy done of the trusker, following the autopsy done thruskers will also stem action against everyone will take stem action against everyone will take stem action against everyone will take stem action against everyone on the trusker was also killed in the Thabbowa forest recently.

Another trusker was also killed in the Thabbowa forest recently.

In a separate incident, a buby elephant tether an organised criminal network was behind the chain of events.

"We condemn these heinous acts as the (30), following due rituals."

CABRAAL: "BLATANT UNTRUTH" BY PM ON **BOND ISSUES** "Cabraal made submissions to Col"

Overnor Ajith Nivard Cabraal

C006-2014) attacked as "blattart
untruth the claim made by Prim issues during my time.

Minister Rauli Wickenesinghe
that there was corruption in the issuance that there were no improper issues during

plast there was corruption in the issuance of bonds during the tenure of the previously time, which report caused much mornally 2006 until his resignation on the 8th of January 2015, following President Sprisena's victory at the Presidential of Sprisena's victory and the Sprisena's victory when a UNP MP demanded that the substitution of the Sprisena's victory and the Sprisena's victory is such a statement that I would be happy to give a familiar in the allowing the sprisenance of a 50-year bond in which the advertised inmount of Rs 1 Billion was created when the spring the sprisenance of the spring the spring

gen times (m amount of Rs 10 billion was taken up ingread). The was said Cabraal, "probably to during the deflect public attention from that scam also that was hitting the headlines. That highly irresponsible allegation was Comobivously made to implicate the former respectively made to implicate the former was completely administration, and thereafter, the Auditor send General was also requested by the then so."

In response, the Auditor General reported that there were no improper issues during my time, which report caused much heartburn to the best Finance Minister in Asia, who had been attacking the Auditor

clarifying certain matters which arose during the Commission sittings, while also informing them that I would be very happy to answer any question that the Commission may have at any time. In response, the Commission asked me to send my submissions in writing, and I did
